

**Sale by Mutual Agreement of
Emissions Units by the Minister Set for October 3, 2018**

NOTICE OF CANCELLATION

September 24, 2018 – The Ministère du Développement durable, de l'Environnement et de la Lutte contre les changements climatiques (MDDELCC) announced today that its sale by mutual agreement has been canceled due to the lack of entities whose request to participate was approved.

This sale, as provided for in the Regulation respecting a cap-and-trade system for greenhouse gas emission allowances, was meant to offer an additional alternative to emitters in obtaining the necessary emissions units to meet their compliance requirements.
