

Bank transfer to the Fund for the Protection of the Environment and the Waters in the Domain of the State

In order to receive bank transfers, we now have a bank account reserved for encashments intended for this fund.

You must have a “Business” bank account and create us as a “custom provider.”

The information regarding this account is as follows:

Name of the account: Ministère des Finances du Québec Fonds de protection de l'environnement

Financial institution number: 815

Transit number: 98000

Account number: 099-089-5

Before payment, the depositor **must** send an email to FondsProtecEnv@environnement.gouv.qc.ca, indicating:

- The transfer date
- The transfer amount
- The number of the document paid
- and/or the invoice number
- and/or client number
- and/or a brief description
- The name appearing on the invoice

Without this email, we will be unable to apply the amount correctly and, as a result, **you will still have an account payable to the Ministère** de l'Environnement, de la Lutte contre les changements climatiques, de la Faune et des Parcs.
